## **ORGANIZATIONAL ANNOUNCEMENT**

### **Richmond Realty Group joins the Royal LePage network Markham, Ontario**

We are pleased to announce that Richmond Realty Group (Ont.) Inc. has joined the Royal LePage network, operating as Royal LePage Richmond Realty Group, effective September 1, 2016.

Broker-owner Arun Mehta began his real estate career 29 years ago. His business includes working with large companies to serve their real estate needs. The move to join the Royal LePage network advances a new business strategy to maintain excellent service to these large companies while also growing his residential real estate business. These plans are complemented with a strong focus to grow and develop a stable of qualified real estate professionals.

"We are fortunate to work in an industry that provides countless opportunities for growth and development," says Arun. "And in today's world of technology-facilitated customer service, it was natural for us to associate with Royal LePage," adding that Royal LePage will provide significant value to the company's future customer base, from both a residential and commercial real estate perspective. Arun is assured of the level of services to be provided to his Realtors, citing the most up-to-date resources and market data available from Royal LePage, allowing them to be trusted professionals and leaders within the industry.

Royal LePage Richmond Realty Group services the communities of Vaughan, Markham and Richmond Hill and the surrounding areas. They can be reached at:
